Protection Plans

Protection Plans 2016/17

Randox Food Diagnostics is offering a substantial protection plan for the Evidence Investigator analyser which will provide security for customers who choose to make the most of this opportunity. With a Protection Plan in place, all Evidence Investigator sites will benefit from:

-  Technical support via telephone and email during Randox working hours
-  Dedicated regional support teams across the globe including, USA, Latin America, Far East and Middle East
-  One annual service visit, including further training if required
-  Spare part coverage
-  High quality technical support from the experts
-  Financial incentives for multi-year coverage
-  Site visits and analyser checks performed by Randox certified engineers
-  Remote diagnostics for off-site troubleshooting

Most importantly, the Protection Plan offers both old and new sites, complete peace of mind, and will cover customers for a wide range of eventualities.

Contract Length	Price (Sterling)	Price (Euros)	Price (Dollars)	Cat. no.
1 Year	£5,000	€6,900	\$7,500	RFD8364
